IN RE: LITHIUM ION BATTERIES
ANTITRUST LITIGATION

Case No. 13-md-02420-YGR

MDL No. 2420

This Document Relates To:

ALL DIRECT PURCHASER ACTIONS

**ORDER GRANTING FINAL APPROVAL
OF CLASS ACTION SETTLEMENT WITH
SAMSUNG SDI DEFENDANTS**

AS MODIFIED BY THE COURT

1 On March 29, 2018, Direct Purchaser Plaintiffs (“Plaintiffs”) filed a Memorandum in
2 Support of Final Approval of Class Action Settlements, including with Defendants Samsung SDI
3 Co. Ltd. and Samsung SDI America, Inc. (together “Samsung SDI”). The Court, having reviewed
4 the motion, the settlement agreement, the pleadings and other papers on file in this action, and the
5 statements of counsel and the parties, hereby finds that the motion should be GRANTED.

6 NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

7 1. The Court has jurisdiction over the subject matter of this litigation, and the Actions
8 within this litigation and over the parties to the settlement agreement, attached hereto as Exhibit 1,
9 including all members of the settlement class and the Defendants.

10 2. For purposes of this Order, except as otherwise set forth herein, the Court adopts
11 and incorporates the definitions contained in the settlement agreement, to the extent not
12 contradictory or mutually exclusive.

13 3. The Court finds that Saveri & Saveri, Inc., Pearson, Simon & Warshaw, LLP, and
14 Berman Tabacco, previously appointed as Class Counsel pursuant to Rule 23(g) of the Federal
15 Rules of Civil Procedure, have and will fairly and competently represent the interests of the
16 settlement class.

17 4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court certifies the
18 following settlement class only with respect to Samsung SDI:

19 All persons and entities that purchased a Lithium Ion Battery or Lithium Ion Battery
20 Product from any Defendant, or any division, subsidiary or affiliate thereof, or any
21 co-conspirator in the United States during the Class Period, from January 1, 2000
22 through May 31, 2011. Excluded from the Class are Defendants, their parent
23 companies, subsidiaries and affiliates, any Co-Conspirators, federal governmental
24 entities and instrumentalities of the federal government, states and their
25 subdivisions, agencies and instrumentalities, and any judge or jurors assigned to this
26 case.

27 5. The Court further finds that the prerequisites to certifying a settlement class under
28 Rule 23 are satisfied for settlement purposes in that: (a) there are thousands of geographically
dispersed settlement class members, making joinder of all members impracticable; (b) there are
questions of law and fact common to the settlement class which predominate over individual
issues; (c) the claims or defenses of the settlement class plaintiffs are typical of the claims or

1 defenses of the settlement class; (d) the plaintiffs will fairly and adequately protect the interests of
2 the settlement class, and have retained counsel experienced in antitrust class action litigation who
3 have, and will continue to, adequately represent the settlement class; and (e) a settlement class
4 resolution is superior to individual settlements.

5 6. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, after a hearing, the
6 Court hereby finally approves and confirms the settlement set forth in the settlement agreement and
7 finds that said settlement is, in all respects, fair, reasonable and adequate to the settlement class.

8 7. This Court hereby dismisses on the merits and with prejudice the Action in favor of
9 the Samsung SDI Defendants, with each party to bear their own costs and attorneys' fees except as
10 provided in the settlement agreement.

11 8. The Samsung SDI Releasees are hereby and forever released from all Released
12 Claims as defined in the settlement agreement.

13 9. The notice given to the settlement class, including individual notice to all members
14 of the settlement class who could be identified through reasonable efforts, was the best notice
15 practicable under the circumstances. Said notice provided due and adequate notice of those
16 proceedings and of the matters set forth therein, including the proposed settlement set forth in the
17 settlement agreement, to all persons entitled to such notice, and said notice fully satisfied the
18 requirements of Rule 23, Subdivisions (c)(2) and (e)(1) of the Federal Rules of Civil Procedure
19 and the requirements of due process.

20 10. Those persons/entities identified in the list attached hereto as Exhibit 2 are validly
21 excluded from the settlement class. Such persons/entities are not entitled to any recovery of the
22 settlement proceeds obtained in connection with the settlement.

23 11. Any member of the settlement class who failed to timely and validly request to be
24 excluded from the settlement class shall be subject to and bound by the provisions of the
25 settlement agreement, the Released Claims contained therein, and this Judgment with respect to all
26 Released Claims, regardless of whether such members of the settlement class seek or obtain any
27 distribution from the Settlement Fund.

28 12. Two objections to the settlement were filed. The objections are hereby overruled.

1 13. One objection to the Proof of Claim form was filed. The objection is hereby
2 overruled.

3 14. The plan of allocation set forth in the class notice is, in all respects, fair, adequate,
4 and reasonable. Accordingly, the Court hereby grants final approval of the plan of allocation.

5 15. Without affecting the finality of the Judgment in any way, this Court hereby retains
6 continuing jurisdiction over: (a) implementation of the settlement agreement and any distribution
7 to settlement class members pursuant to further orders of this Court; (b) disposition of the
8 Settlement Fund; (c) hearing and determining applications by plaintiffs for attorneys' fees, costs,
9 expenses, and interest; (d) the Actions until the Final Judgment has become effective and each and
10 every act agreed to be performed by the parties all have been performed pursuant to the settlement
11 agreement; (e) hearing and ruling on any matters relating to the plan of allocation of settlement
12 proceeds; **(f) hearing and ruling on any collateral discovery and sanctions matters; and (g)** the
13 parties to the settlement agreement for the purpose of enforcing and administering the settlement
14 agreement and the mutual releases contemplated by, or executed in connection with the settlement
15 agreement.

16 16. In the event that the settlement does not become effective in accordance with the
17 terms of the settlement agreement, then the Judgment shall be rendered null and void and shall be
18 vacated, and in such event, all orders entered and releases delivered in connection herewith shall
19 be null and void and the parties shall be returned to their respective positions *ex ante*.

20 17. The Court finds, pursuant to Rule 54(b) of the Federal Rules of Civil Procedure,
21 that Judgment should be entered and further finds that there is no just reason for delay in the entry
22 of Judgment as to the parties to the settlement agreement. Accordingly, the Clerk is hereby
23 directed to enter Judgment forthwith for the Samsung SDI Defendants.

24 IT IS SO ORDERED.

B. Approval of this Agreement and Dismissal of Claims Against Samsung SDI.

10. Plaintiffs and Samsung SDI shall use their best efforts to effectuate this Agreement, including cooperating in seeking the Court's approval for the establishment of procedures (including the giving of class notice under Federal Rules of Civil Procedure 23(c) and (e)) to secure the prompt, complete, and final dismissal with prejudice of the Action as to Samsung SDI.

11. Plaintiffs shall submit to the Court a motion for preliminary approval of the settlement and for authorization to disseminate notice of the settlement and final judgment contemplated by this Agreement to all Class Members (the "Motion"). If notice to the Class is given jointly with notice of any other class settlement, for purposes of Paragraph 21 below, the costs of notice and claims administration shall be prorated among the settlement funds

established for other such settling defendants based on their respective settlement amounts. The Motion shall include: (i) a proposed form of, method for, and date of dissemination of notice; and (ii) a proposed form of order and final judgment. Interim Co-Lead Counsel shall provide Samsung SDI with the text of the foregoing items (i) and (ii) before submission of the Motion and shall cooperate with Samsung SDI with respect to the contents of both documents, with the understanding that, among other things, individual notice of the settlement shall be mailed by regular mail or email, with appropriate notice by publication (in the event required by the Court), with all expenses paid from the Settlement Fund subject to Paragraph 21(a). The proposed form of order shall include such provisions as are typical in such orders, including finding that the proposed plan of notice complies with Rule 23 of the Federal Rules of Civil Procedure and the requirements of due process. Plaintiffs acknowledge that Samsung SDI has previously supplied Co-Lead Counsel with the names and addresses of potential Class Members reasonably available in Samsung SDI's sales database. The Motion shall recite and ask the Court to find that the mailing of the notice of settlement to all members of the Class who can be identified upon reasonable effort constitutes valid, due, and sufficient notice to the Class, constitutes the best notice practicable under the circumstances, and complies fully with the requirements of Federal Rules of Civil Procedure 23.

12. Plaintiffs shall seek, and Samsung SDI will not object unreasonably to the entry of, an order and final judgment, the text of which Plaintiffs and Samsung SDI shall agree upon. The terms of that order and final judgment will include, at a minimum, the substance of the following provisions:

- (a) certifying the Class described in Paragraph 2, pursuant to Rule 23 of the Federal Rules of Civil Procedure, solely for purposes of this settlement as a settlement

class;

(b) as to the Action, approving finally this settlement and its terms as being a fair, reasonable and adequate settlement as to the Class Members within the meaning of Rule 23 of the Federal Rules of Civil Procedure and directing its consummation according to its terms;

(c) finding that all Class Members shall be bound by this Agreement, including the release provisions and covenant not to sue set forth in this Agreement;

(d) as to Samsung SDI, directing that the Action be dismissed with prejudice and, except as provided for in this Agreement, without provision that Samsung SDI pay any separate attorneys' fees or costs;

(e) finding that the notice given constitutes due, adequate and sufficient notice and meets the requirements of due process and the Federal Rules of Civil Procedure;

(f) reserving exclusive jurisdiction over the settlement and this Agreement, including the administration and consummation of this settlement, to the United States District Court for the Northern District of California; and

(g) determining under Rule 54(b) of the Federal Rules of Civil Procedure that there is no just reason for delay and directing that the judgment of dismissal with prejudice as to Samsung SDI shall be final.

13. This Agreement shall become final when: (i) the Court has entered a final order certifying the Class described in Paragraph 2 and approving this Agreement under Rule 23(e) of the Federal Rules of Civil Procedure and a final judgment dismissing the Action with prejudice as to Samsung SDI against all Class Members and without attorneys' fees or costs other than those provided for in this Agreement; and (ii) the time for appeal or to seek permission to appeal

from the Court's approval of this Agreement and entry of a final judgment as to Samsung SDI described in (i) hereof has expired without appeal, or, if appealed, approval of this Agreement and the final judgment as to Samsung SDI have been affirmed in their entirety, or the appeal has otherwise been finally dismissed, by the court of last resort to which such appeal has been taken and such affirmance or dismissal has become no longer subject to further appeal or review. It is agreed that the provisions of Rule 6 of the Federal Rules of Civil Procedure shall not be taken into account in determining the above-stated times. On the date that Plaintiffs and Samsung SDI have executed this Agreement, Plaintiffs and Samsung SDI shall be bound by its terms and this Agreement shall not be terminated or otherwise rescinded except in accordance with Paragraphs 19(h) or 30 of this Agreement.

14. Neither this Agreement (whether or not it should become final) nor the final judgment, nor any and all negotiations, documents, and discussions associated with them, shall be deemed or construed to be an admission by Samsung SDI (or the other Releasees) or evidence of any violation of any statute or law or of any liability or wrongdoing whatsoever by Samsung SDI (or the other Releasees), or of the truth of any of the claims or allegations contained in any complaint or any other pleading filed in the Action, and evidence thereof shall not be discoverable or used directly or indirectly, in any way, whether in the Action or in any other action or proceeding. Neither this Agreement, nor any of its terms and provisions, nor any of the negotiations or proceedings connected with it, nor any other action taken to carry out this Agreement by any of the settling parties shall be referred to, offered as evidence or received in evidence in any pending or future civil, criminal, or administrative action or proceedings, except in a proceeding to enforce this Agreement, or to defend against the assertion of Released Claims, as defined in Paragraph 15, or as otherwise required by law. This Paragraph 14 shall survive the

termination or rescission of this Agreement.

C. Release, Discharge, and Covenant Not to Sue.

15. In addition to the preclusive effect of any final judgment entered in accordance with this Agreement, upon this Agreement becoming final as set out in Paragraph 13 of this Agreement, and in consideration of payment of the Settlement Amount, as specified in Paragraph 18 of this Agreement, into the Settlement Fund, and for other valuable consideration, the Releasees shall be completely released, acquitted, and forever discharged from any and all claims, demands, judgments, actions, suits, causes of action, whether class, individual, or otherwise in nature (whether or not any Class Member has objected to the settlement or makes a claim upon or participates in the Settlement Fund, whether directly, representatively, derivatively or in any other capacity) that Releasers, or each of them, ever had, now has, or hereafter can, shall, or may have on account of, or in any way arising out of, any and all known and unknown, foreseen and unforeseen, suspected or unsuspected, actual or contingent, liquidated or unliquidated, claims, causes of action, injuries, damages, and the consequences thereof in any way arising out of or relating in any way to the allegations in the Complaint and any act or omission of the Releasees (or any of them) that is alleged in the Complaint up to the date of the execution of this Agreement, or that could have been alleged in the Complaint or in any other complaint filed in the Action, such as those arising under common law or any federal, state or foreign antitrust, unfair competition, unfair practices, price discrimination, unitary pricing, consumer protection or deceptive trade practice law (the "Released Claims"). The Released Claims do not include claims for product defect or personal injury or breach of contract (unless based on the allegations in the Complaint) arising in the ordinary course of business or indirect purchaser claims for Li-Ion Cells, Li-Ion Batteries or Li-Ion Products that were not purchased

directly from Defendants or their subsidiaries, affiliates, or alleged co-conspirators. Releasors shall not, after the date of this Agreement, sue or otherwise seek to establish liability against any Releasee based, in whole or in part, upon any of the Released Claims or conduct at issue in the Released Claims. For purposes of clarity, the Released Claims include any claims under foreign antitrust or competition laws or state antitrust or competition laws that relate to or arise out of the subject of the Complaint, but do not include any foreign antitrust or competition law claims or any state law indirect-purchaser claims that relate to or arise out of the sale of Li-Ion Cells, Li-Ion Batteries or Li-Ion Products that: (a) were not purchased from a Defendant, a subsidiary or affiliate of a Defendant, any of the Releasees or an alleged co-conspirator in the Action; or (b) were not billed to or shipped to or through the United States, or would otherwise not fall within the jurisdictional reach of the Sherman Act as amended by the Foreign Trade Antitrust Improvements Act of 1982.

16. In addition to the provisions of Paragraph 15 of this Agreement, Releasors hereby expressly waive and release, upon this Agreement becoming final, any and all provisions, rights, and benefits conferred by § 1542 of the California Civil Code, which states:

CERTAIN CLAIMS NOT AFFECTED BY GENERAL RELEASE. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR;

or by any law or common law principle of any state or territory of the United States, or any other jurisdiction, which is similar, comparable, or equivalent to § 1542 of the California Civil Code. Each Releasor may hereafter discover facts other than or different from those which he, she, or it knows or believes to be true with respect to the Released Claims, but each Releasor hereby expressly waives and fully, finally, and forever settles and releases, upon this Agreement

becoming final, any known or unknown, suspected or unsuspected, contingent or non-contingent claim with respect to the subject matter of the provisions of Paragraph 15 of this Agreement, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

17. The release, discharge, and covenant not to sue set forth in Paragraph 15 of this Agreement does not include claims by any of the Class Members other than the Released Claims and does not preclude Class Members from pursuing claims based on indirect sales or foreign sales of Li-Ion Cells, Li-Ion Batteries or Li-Ion Products so long as such claims are not based on the same purchases included as part of the Released Claims defined in Paragraph 15. The Releasors hereby covenant and agree that they shall not, hereafter, sue or otherwise seek to establish liability against any of the Releasees based, in whole or in part, upon any of the Released Claims.

D. Settlement Amount.

18. Subject to the provisions hereof, and in full, complete and final settlement of the Action as provided herein, Samsung SDI shall pay the Settlement Amount of \$24,500,000 (the "Settlement Amount"), and no additional amount at any time, whether for wire transfer fees or bank fees of any kind associated with the wire transfer of funds, interest, notice, administration costs, attorneys' fees, or otherwise. The Settlement Amount shall be paid into an escrow account in United States Dollars to be administered in accordance with the provisions of Paragraph 19 of this Agreement (the "Escrow Account") within forty-five (45) days after execution of this Agreement.

19. Escrow Account.

(a) The Escrow Account will be established at Citibank N.A.— Citi Private

Bank, San Francisco, California, with such Bank serving as escrow agent (“Escrow Agent”), such escrow to be administered under the Court’s continuing supervision and control.

(b) The Escrow Agent shall cause the funds deposited in the Escrow Account to be invested in instruments backed by the full faith and credit of the United States Government or fully insured in writing by the United States Government, or money market funds, invested substantially in such instruments, and shall reinvest any income from these instruments and the proceeds of these instruments as they mature in similar instruments at their then current market rates.

(c) All funds held in the Escrow Account shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to this Agreement and/or further order(s) of the Court.

(d) Plaintiffs and Samsung SDI agree to treat the Settlement Fund as being at all times a qualified settlement fund within the meaning of Treas. Reg. §1.468B-1. In addition, the Escrow Agent shall timely make such elections as necessary or advisable to carry out the provisions of this Paragraph 19, including the “relation-back election” (as defined in Treas. Reg. §1.468B-1) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such regulations. It shall be the responsibility of the Escrow Agent to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

(e) For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the “administrator” shall be the Escrow Agent. The Escrow Agent or its designee shall timely and properly file all informational and

other tax returns necessary or advisable with respect to the Settlement Fund (including without limitation the returns described in Treas. Reg. § 1.468B-2(k)(1)). Such returns (as well as the election described in Paragraph 19(d)) shall be consistent with Paragraph 19(d) and in all events shall reflect that all Taxes, as defined below (including any estimated taxes, interest or penalties), on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in Paragraph 19(f) hereof.

(f) All of the following shall be paid out of the Settlement Fund: (i) taxes (including any estimated taxes, interest or penalties) arising with respect to the income earned by the Settlement Fund, including any taxes or tax detriments that may be imposed upon Samsung SDI or any other Releasee with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a “qualified settlement fund” for federal or state income tax purposes (“Taxes”); and (ii) expenses and costs incurred in connection with the operation and implementation of Paragraphs 19(a)–19(b) and 19(d) through 19(f) (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Paragraph 19(f) (“Tax Expenses”).

(g) Neither Samsung SDI nor any other Releasee nor their respective counsel shall have any liability or responsibility for the Taxes or the Tax Expenses or for obtaining or maintaining the tax status desired for the Settlement Fund. Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court, and the Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to any claimants authorized by the Court any funds necessary to

pay such amounts including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)). Plaintiffs and Samsung SDI agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of Paragraphs 19(d) through 19(f).

(h) If this Agreement does not receive final Court approval, including final approval of “the Class” as defined in Paragraph 2 above or if the Action is not certified as a class action for settlement purposes, or if this Agreement is terminated as provided herein, or the Judgment is overturned on appeal or by writ, then all amounts paid by Samsung SDI into the Settlement Fund (other than notice costs expended in accordance with Paragraph 21(a)) shall within thirty (30) calendar days be returned to Samsung SDI from the Escrow Account by the Escrow Agent along with any interest accrued thereon.

20. Exclusions

(a) Within ten (10) business days after the end of the period to request exclusion from the Class, Interim Co-Lead Counsel will cause copies of timely requests for exclusion from the Class to be provided to counsel for Samsung SDI. To the extent that Samsung SDI determines in good faith that valid and timely requests for exclusion or to opt out from the Class have been made by potential members of the Class who in the aggregate account for purchases of Li-Ion Cells, Li-Ion Batteries and Li-Ion Products in an amount equivalent to or greater than thirty-five percent (35%) of Defendants’ total sales in the United States of such products between May 1, 2002 through May 31, 2011, then Samsung SDI may at its sole discretion terminate this Agreement or proceed with this Agreement. If Samsung SDI elects to terminate this Agreement, it shall do so within twenty (20) calendar days after receiving the final list of members of the Class seeking to be excluded from the Class.

(b) If Samsung SDI terminates this Agreement pursuant to Paragraph 18(a), then (i) this Agreement shall be null and void as to Samsung SDI and shall have no force or effect and shall be without prejudice to the rights and contentions of Releasees and Releasers in this or any other litigation; and (ii) all amounts paid by Samsung SDI into the Settlement Fund (other than notice costs expended in accordance with Paragraph 19(a)) shall be returned to Samsung SDI, from the Escrow Account by the Escrow Agent along with any interest accrued thereon within thirty (30) calendar days from the date of termination of this Agreement.

(c) With respect to any potential Class Member who requests exclusion from the Class, Samsung SDI reserves all of its legal rights and defenses, including, but not limited to, any defenses relating to whether the excluded Class Member is a direct purchaser of any allegedly price-fixed product and/or has standing to bring any claim.

21. Payment of Expenses.

(a) Samsung SDI agrees to permit use of a maximum of \$500,000 of the Settlement Fund towards notice to the Class and the costs of administration of the Settlement Fund. The \$500,000 in notice and administration expenses are not refundable if this settlement does not become final to the extent such funds are expended for notice and administration costs. Other than as set forth in this Paragraph 21(a), neither Samsung SDI nor any of the other Releasees under this Agreement shall be liable for any of the costs or expenses of the litigation of the Action, including attorneys' fees; fees and expenses of expert witnesses and consultants; and costs and expenses associated with discovery, motion practice, hearings before the Court or any Special Master, appeals, trials or the negotiation of other settlements, or for Class administration and costs.

(b) If Interim Co-Lead Counsel enters into any other settlements on behalf of the Class before notice of this Agreement is given to the Class, Interim Co-Lead Counsel shall

use its reasonable best efforts to provide a single notice to prospective members of the Class of all of the settlements.

E. The Settlement Fund.

22. Releasors shall look solely to the Settlement Fund for settlement and satisfaction against the Releasees of all Released Claims, and shall have no other recovery against Samsung SDI or any other Releasee.

23. After this Agreement becomes final within the meaning of Paragraph 13, the Settlement Fund shall be distributed in accordance with a plan to be submitted at the appropriate time by Plaintiffs, subject to approval by the Court. In no event shall any Releasee have any responsibility, financial obligation, or liability whatsoever with respect to the investment, distribution, or administration of the Settlement Fund, including, but not limited to, the allocation of settlement amounts among Class Members or the costs and expenses of such distribution and administration, with the sole exception of the provisions set forth in Paragraph 21(a) of this Agreement. The Releasors hereby fully, finally and forever release, relinquish and discharge the Releasees and their counsel from any and all such liability.

24. Plaintiffs and Class Counsel shall be reimbursed and indemnified solely out of the Settlement Fund for all expenses. Neither Samsung SDI nor any of the other Releasees under this Agreement shall be liable for any costs, attorneys' fees, or expenses of any of Plaintiffs' or the Class' respective attorneys, experts, advisors, agents, or representatives, but all such costs, fees, and expenses as approved by the Court shall be paid out of the Settlement Fund.

25. Class Counsel's Attorneys' Fees And Reimbursement of Expenses.

(a) Class Counsel may submit an application or applications to the Court (the "Fee and Expense Application") for distribution to them from the Settlement Fund and Samsung

SDI shall not oppose such application for: (i) an award of attorneys' fees not in excess of one-third of the Settlement Fund; plus (ii) reimbursement of expenses and costs incurred in connection with prosecuting the Action, plus interest on such attorneys' fees, costs, and expenses at the same rate and for the same period as earned by the Settlement Fund (until paid) as may be awarded by the Court (the "Fee and Expense Award"). Class Counsel reserve the right to make additional applications for fees and expenses incurred, but in no event shall Releasees be responsible to pay any such additional fees and expenses except to the extent they are paid out of the Settlement Fund.

(b) The Fee and Expense Award, as approved by the Court, shall be paid solely from the Settlement Fund.

(c) The procedure for and the allowance or disallowance by the Court of the application by Class Counsel for attorneys' fees, costs, and expenses to be paid out of the Settlement Fund are not part of this Agreement, and are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the settlement, and any order or proceeding relating to the Fee and Expense Application, or any appeal from any such order shall not operate to terminate or cancel this Agreement, or affect or delay the finality of the judgment approving the settlement.

(d) Neither Samsung SDI nor any other Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to any payment to Class Counsel of any Fee or Expense Award in the Action.

(e) Neither Samsung SDI nor any other Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to the allocation among Class Counsel, or any other person who may assert some claim thereto, of any Fee or

Expense Award that the Court may make in the Action.

F. Cooperation.

26. SDI has provided cooperation to date under the Antitrust Criminal Penalty Enhancement and Reform Act of 2004, Pub. L. No. 108-237, 118 Stat. 666 (“ACPERA”). In addition to its obligations under ACPERA, which shall continue until this Action is finally dismissed against all Defendants, Samsung SDI shall make its best effort to cooperate with Interim Co-Lead Counsel as follows:

(a) To the extent not already produced, Samsung SDI shall produce all English translations of any documents that it provided to the United States Department of Justice in connection with its investigation of potential collusion concerning Lithium Ion Batteries, to the extent they exist, within fifteen (15) business days after Preliminary Approval by the Court of this Agreement.

(b) Samsung SDI shall respond to reasonable requests (including, if necessary, by providing reasonable telephonic access to appropriate employees) for clarification of the transactional, production and cost data that Samsung SDI has produced or will produce in the Action.

(c) Any documents Samsung SDI produces to any other party in the Action, Samsung SDI shall produce to Interim Co-Lead Counsel within ten (10) days of the production to such other party. Samsung SDI shall also notify Interim Co-Lead Counsel of any proffers or other cooperation under ACPERA or otherwise it provides in any action relating to the alleged conspiracy, and allow Interim Co-Lead Counsel to participate in or otherwise receive the benefit of such cooperation.

(d) Samsung SDI agrees to use reasonable efforts to make available for a single interview and/or a single deposition, via videoconference or at a mutually agreed upon location, not less than four (4) persons, who may consist of current directors, officers, and/or employees of Samsung SDI (or former directors, officers and/or employees of Samsung SDI, if such former employees agree to cooperate) whom Interim Co-Lead Counsel, in consultation with counsel for Samsung SDI, reasonably and in good faith believe to have knowledge regarding the conduct alleged in the Complaint. Interviews shall be limited to a total of six (6) hours over one day per interview and can be conducted telephonically from overseas at the witness's choice. Depositions shall be administered according to the rules and limitations of the Federal Rules of Civil Procedure, regardless of the location at which they take place or the citizenship of the deponent. Samsung SDI also agrees to use good faith efforts to obtain the cooperation of former directors, officers and/or employees, as part of the four (4) witnesses identified above, if Interim Co-Lead Counsel asks Samsung SDI to include such individuals within the list of four (4). Plaintiffs and Samsung SDI shall meet and confer on the allocation for reimbursement of reasonable travel expenses incurred by witnesses pursuant to this Paragraph, consistent with the Guidelines for Limiting Costs and Expenses, Including Attorneys' Fees (Exhibit A to ECF No. 202). Plaintiffs may continue to participate in, and ask questions during, any depositions of Samsung SDI witnesses noticed by other parties in the Action, and such participation will not count against the four (4) individuals identified pursuant to this Paragraph. Any Samsung SDI witness who has already been deposed in the Action may only be interviewed pursuant to this Paragraph and may not be deposed again.

(e) Samsung SDI agrees to use reasonable efforts to make available for testimony at trial, which shall be at the United States Courthouse of the United States District Court for the Northern District of California, not less than three (3) persons, who may consist of current directors, officers, and/or employees of Samsung SDI (or former directors, officers and/or employees of Samsung SDI, if such former employees agree to cooperate) whom Interim Co-Lead Counsel, in consultation with counsel for Samsung SDI, reasonably and in good faith believe to have knowledge regarding the conduct alleged in the Complaint.

(f) Samsung SDI agrees to provide to the extent it is reasonably practicable declarations, affidavits, or other evidence to provide information with respect to Samsung SDI's purchases, sales, pricing, production, capacity and cost of its Li-Ion Cell, Li-Ion Battery, Li-Ion Battery Pack, and/or Li-Ion Products, as well as documents (if any) related to the conduct alleged in the Complaint. Both parties agree that Samsung SDI has already made substantial and reasonable productions related to this matter. Upon additional reasonable request, Samsung SDI agrees to provide Interim Co-Lead Counsel with supplemental productions of documents or data to the extent reasonably available.

(g) To the extent reasonably practicable, Samsung SDI agrees to authenticate and lay a foundation, through affidavits or declarations, for admission into evidence any of Samsung SDI's produced documents and data and/or documents or data produced pursuant to subparagraph (h) above. If the affidavits or declarations previously identified are insufficient to authenticate and lay the foundation into evidence of any Samsung SDI produced documents or data and/or documents or data produced pursuant to subparagraph (h) above, to the extent reasonably practicable, Samsung SDI shall provide

one witness who will authenticate to the best of their ability and lay the foundation for admission into evidence any Samsung SDI produced documents or data and/or documents or data produced pursuant to subparagraph (h) above. Should both parties agree that additional witnesses may be necessary, the parties will meet and confer to discuss the necessity and logistics of obtaining such additional witnesses.

(h) If any document protected by the attorney-client privilege, attorney work-product protection, joint defense or any other protection, privilege, or immunity is accidentally or inadvertently produced under this Paragraph, the document shall promptly be destroyed and/or returned to Samsung SDI, and its production shall in no way be construed to have waived any privilege or protection attached to such document.

(i) Plaintiffs and Interim Co-Lead Counsel agree they will not use the information provided by Samsung SDI or their representatives under this Paragraph for any purpose other than the pursuit of the Action, and will not publicize the information beyond what is reasonably necessary for the prosecution of the Action or as otherwise required by law. Any documents and other information provided will be deemed “Highly Confidential” and subject to the protective order entered in the Action as if they had been produced in response to discovery requests and so designated. Plaintiffs and Samsung SDI will take reasonable efforts to accommodate the other’s efforts to minimize duplication in the providing of any cooperation.

27. In the event that this Agreement fails to receive final approval by the Court as contemplated in Paragraphs 10–13 hereof, including final approval of the “Class” as defined in Paragraph 2 above, or in the event that it is terminated by either party under any provision herein, the parties agree that neither Plaintiffs nor Plaintiffs’ counsel shall be permitted to

introduce into evidence, at any hearing, or in support of any motion, opposition or other pleading in the Action or in any other federal or state or foreign action alleging a violation of any law relating to the subject matter of this Action, any deposition testimony or any documents provided by the Releasees, their counsel, or any individual made available by the Releasees pursuant to the cooperation provisions of Paragraph 26,

28. Except as provided in Paragraph 26 of this Agreement, Samsung SDI need not respond to formal discovery from Plaintiffs, or supplement prior responses to formal discovery that has been previously propounded by Plaintiffs or otherwise participate in the Action during the pendency of this Agreement. Samsung SDI agrees to withdraw all outstanding discovery served on Plaintiffs to the extent such discovery was not served concurrently with another Defendant who remains in the Action, and neither Samsung SDI nor Plaintiffs shall file motions against the other during the pendency of the Agreement.

29. Samsung SDI and Plaintiffs agree not to disclose publicly or to any other Defendant the terms of this Agreement until this Agreement is submitted to the Court for approval.

G. Rescission if this Agreement is Not Approved or Final Judgment is Not Entered.

30. If the Court refuses to approve this Agreement or any part hereof, including if the Court does not certify a settlement class in accordance with the specific class definition set forth in Paragraph 2 above, or if such approval is modified or set aside on appeal, or if the Court does not enter the final judgment provided for in Paragraph 12 of this Agreement, or if the Court enters the final judgment and appellate review is sought, and on such review, such final judgment is not affirmed in its entirety, then Samsung SDI and the Plaintiffs, shall each, in their sole discretion, exercised in good faith, have the option to rescind this Agreement in its entirety.

Written notice of the exercise of any such right to rescind shall be made according to the terms of Paragraph 40 within thirty days of the event triggering the right to rescind. A modification or reversal on appeal of any amount of Class Counsel's fees and expenses awarded by the Court from the Settlement Fund, or the allocation of the Settlement Fund as between Class Members, shall not be deemed a modification of all or a part of the terms of this Agreement or such final judgment.

31. In the event that this Agreement does not become final or is rescinded or terminated in accordance with Paragraph 30, then this Agreement shall be of no force or effect and all parts of the Settlement Fund caused to be deposited in the Escrow Account (including interest earned thereon) shall be returned forthwith to Samsung SDI less only disbursements made in accordance with Paragraph 21(a) of this Agreement. Samsung SDI expressly reserves all of its rights and defenses if this Agreement does not become final.

32. Further, and in any event, Plaintiffs and Samsung SDI agree that this Agreement, whether or not it shall become final, and any and all negotiations, documents, and discussions associated with it, shall not be deemed or construed to be an admission or evidence of any violation of any statute or law or of any liability or wrongdoing whatsoever by Samsung SDI or the Releasees, or of the truth of any of the claims or allegations contained in the Complaint or any other pleading filed in the Action, or by any person or entity in any other action, and evidence thereof shall not be discoverable or used directly or indirectly, in any way, whether in the Action or in any other action or proceeding.

33. This Agreement shall be construed and interpreted to effectuate the intent of the parties, which is to provide, through this Agreement, for a complete resolution of the Released Claims with respect to each Releasee as provided in this Agreement.

34. The parties to this Agreement contemplate and agree that, prior to final approval of the settlement as provided for in Paragraphs 10–13 hereof, appropriate notice of: (1) the settlement; and (2) a hearing at which the Court will consider the approval of this Agreement will be given to Class Members.

H. Miscellaneous.

35. This Agreement does not settle or compromise any claim by Plaintiffs or any Class Member asserted in the Complaint or, if amended, any subsequent complaint, against any Defendant or alleged co-conspirator other than the Releasees. All rights against such other Defendants or alleged co-conspirators are specifically reserved by Plaintiffs and the Class. Neither Samsung SDI's sales, nor the sales of any related entity, to the Class shall be removed from the Action.

36. The United States District Court for the Northern District of California shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement or the applicability of this Agreement that cannot be resolved by negotiation and agreement by Plaintiffs and Samsung SDI. This Agreement shall be governed by and interpreted according to the substantive laws of the state of California without regard to its choice of law or conflict of laws principles.

37. This Agreement constitutes the entire, complete, and integrated agreement among Plaintiffs and Samsung SDI pertaining to the settlement of the Action against Samsung SDI, and supersedes all prior and contemporaneous undertakings of Plaintiffs and Samsung SDI in connection herewith. This Agreement may not be modified or amended except in writing executed by Plaintiffs and Samsung SDI, and approved by the Court.

38. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of Plaintiffs and Samsung SDI. Without limiting the generality of the foregoing, each and every covenant and agreement made herein by Plaintiffs, Interim Co-Lead Counsel or Class Counsel shall be binding upon all Class Members and Releasors. The Releasees (other than Samsung SDI, which is a party hereto) are third-party beneficiaries of this Agreement and are authorized to enforce its terms applicable to them.

39. This Agreement may be executed in counterparts by Plaintiffs and Samsung SDI, and a .pdf signature via email shall be deemed an original signature for purposes of executing this Agreement.

40. Neither Plaintiffs nor Samsung SDI shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

41. Where this Agreement requires either party to provide notice or any other communication or document to the other, such notice shall be in writing, and such notice, communication, or document shall be provided by email or letter by overnight delivery to the undersigned counsel of record for the party to whom notice is being provided.

42. Each of the undersigned attorneys represents that he or she is fully authorized to enter into the terms and conditions of, and to execute, this Agreement, subject to Court approval.
