On March 29, 2018, Direct Purchaser Plaintiffs ("Plaintiffs") filed a Memorandum in Support of Final Approval of Class Action Settlements, including with Defendant TOKIN Corporation ("TOKIN"), formerly known as NEC TOKIN Corporation. The Court, having reviewed the motion for settlement approval, the settlement agreement, the pleadings and other papers on file in this action, and the statements of counsel and the parties, hereby finds that the motion should be GRANTED.

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

- 1. The Court has jurisdiction over the subject matter of this litigation, and the Actions within this litigation and over the parties to the settlement agreement, attached hereto as Exhibit 1, including all members of the settlement class and the Defendants.
- 2. For purposes of this Order, except as otherwise set forth herein, the Court adopts and incorporates the definitions contained in the settlement agreement, to the extent not contradictory or mutually exclusive.
- 3. The Court finds that Saveri & Saveri, Inc., Pearson, Simon & Warshaw, LLP, and Berman Tabacco, previously appointed as Class Counsel pursuant to Rule 23(g) of the Federal Rules of Civil Procedure, have and will fairly and competently represent the interests of the settlement class.
- 4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court certifies the following settlement class only with respect to TOKIN:

All persons and entities that purchased a Lithium Ion Battery or Lithium Ion Battery Product from any Defendant, or any division, subsidiary or affiliate thereof, or any co-conspirator in the United States during the Class Period, from January 1, 2000 through May 31, 2011. Excluded from the Class are Defendants, their parent companies, subsidiaries and affiliates, any Co-Conspirators, federal governmental entities and instrumentalities of the federal government, states and their subdivisions, agencies and instrumentalities, and any judge or jurors assigned to this case.

5. The Court further finds that the prerequisites to certifying a settlement class under Rule 23 are satisfied for settlement purposes in that: (a) there are thousands of geographically dispersed settlement class members, making joinder of all members impracticable; (b) there are questions of law and fact common to the settlement class which predominate over individual

issues; (c) the claims or defenses of the settlement class plaintiffs are typical of the claims or defenses of the settlement class; (d) the plaintiffs will fairly and adequately protect the interests of the settlement class, and have retained counsel experienced in antitrust class action litigation who have, and will continue to, adequately represent the settlement class; and (e) a settlement class resolution is superior to individual settlements.

- 6. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, after a hearing, the Court hereby finally approves and confirms the settlement set forth in the settlement agreement and finds that said settlement is, in all respects, fair, reasonable and adequate to the settlement class.
- 7. This Court hereby dismisses on the merits and with prejudice the Action in favor of Defendant TOKIN, with each party to bear their own costs and attorneys' fees, except as provided in the settlement agreement.
- 8. The TOKIN Releasees are hereby and forever released from all Released Claims as defined in the settlement agreement.
- 9. The notice given to the settlement class, including individual notice to all members of the settlement class who could be identified through reasonable efforts, was the best notice practicable under the circumstances. Said notice provided due and adequate notice of those proceedings and of the matters set forth therein, including the proposed settlement set forth in the settlement agreement, to all persons entitled to such notice, and said notice fully satisfied the requirements of Rule 23, Subdivisions (c)(2) and (e)(1) of the Federal Rules of Civil Procedure and the requirements of due process.
- 10. Those persons/entities identified in the list attached hereto as <u>Exhibit 2</u> are validly excluded from the settlement class. Such persons/entities are not entitled to any recovery of the settlement proceeds obtained in connection with the settlement.
- 11. Any member of the settlement class who failed to timely and validly request to be excluded from the settlement class shall be subject to and bound by the provisions of the settlement agreement, the Released Claims contained therein, and the Final Judgment with respect to all Released Claims, regardless of whether such members of the settlement class seek or obtain any distribution from the Settlement Fund.

- 12. Two objections to the settlement were filed. The objections are hereby overruled.
- 13. One objection to the Proof of Claim form was filed. The objection is hereby overruled.
- 14. The plan of allocation set forth in the class notice is, in all respects, fair, adequate, and reasonable. Accordingly, the Court hereby grants final approval of the plan of allocation.
- 15. Without affecting the finality of the Judgment in any way, this Court hereby retains continuing jurisdiction over: (a) implementation of the settlement agreement and any distribution to settlement class members pursuant to further orders of this Court; (b) disposition of the Settlement Fund; (c) hearing and determining applications by plaintiffs for attorneys' fees, costs, expenses, and interest; (d) the Actions until the Final Judgment has become effective and each and every act agreed to be performed by the parties all have been performed pursuant to the settlement agreement; (e) hearing and ruling on any matters relating to the plan of allocation of settlement proceeds; (f) hearing and ruling on any collateral discovery and sanctions matters; and (g) the parties to the settlement agreement for the purpose of enforcing and administering the settlement agreement and the mutual releases contemplated by, or executed in connection with the settlement agreement.
- 16. In the event that the settlement does not become effective in accordance with the terms of the settlement agreement, then the Judgment shall be rendered null and void and shall be vacated, and in such event, all orders entered and releases delivered in connection herewith shall be null and void and the parties shall be returned to their respective positions *ex ante*.
- 17. The Court finds, pursuant to Rule 54(b) of the Federal Rules of Civil Procedure, that Judgment should be entered and further finds that there is no just reason for delay in the entry of Judgment as to the parties to the settlement agreement. Accordingly, the Clerk is hereby directed to enter Judgment forthwith for Defendant TOKIN.

IT IS SO ORDERED.

SETTLEMENT AGREEMENT

This Settlement Agreement ("Agreement") is made and entered into this 30th day of August, 2017 by and between TOKIN Corporation ("TOKIN"), formerly known as NEC TOKIN Corporation, and the direct-purchaser plaintiff class representatives ("Plaintiffs"), both individually and on behalf of the direct purchaser class in the above-captioned class actions ("the Class") as more particularly defined in Paragraph 1 below.

WHEREAS, Plaintiffs are prosecuting the above *In Re Lithium Ion Batteries Antitrust Litigation*, Case No. 13-MD-2420-YGR (N.D. Cal.) (the "Action") on their own behalf and on behalf of the Class against, among others, TOKIN;

WHEREAS, Plaintiffs allege that TOKIN participated in an unlawful conspiracy to raise, fix, maintain, or stabilize the price of Lithium Ion Battery Cells at artificially high levels in violation of Section 1 of the Sherman Act;

WHEREAS, TOKIN denies Plaintiffs' allegations and has asserted defenses to Plaintiffs' claims;

WHEREAS, Plaintiffs have conducted an investigation into the facts and the law

regarding the Action and have concluded that resolving claims against TOKIN according to the terms set forth below is in the best interest of Plaintiffs and the Class;

WHEREAS, TOKIN, despite its belief that it is not liable for the claims asserted and has good defenses thereto, has nevertheless agreed to enter into this Agreement to avoid further expense, inconvenience, and the distraction of burdensome and protracted litigation, and to obtain the releases, orders, and judgment contemplated by this Agreement, and to put to rest with finality all claims that have been or could have been asserted against TOKIN based on the allegations of the Action, as more particularly set out below;

WHEREAS, arms' length settlement negotiations have taken place among TOKIN and Interim Co-Lead Counsel, as defined below, including negotiations conducted pursuant to mediation before Judge Vaughn R. Walker (ret.), and this Agreement, which embodies all the terms of conditions of the settlement between TOKIN and Plaintiffs, has been reached (subject to the approval of the Court) as provided herein;

NOW, THEREFORE, in consideration of the covenants, agreements, and releases set forth herein and for other good and valuable consideration, it is agreed by and among the undersigned that the Action be settled, compromised, and dismissed on the merits with prejudice as to Releasees, as defined below, and except as hereinafter provided, without costs as to Plaintiffs, the Class, or TOKIN subject to the approval of the Court, on the following terms and conditions:

A. Definitions.

settlement only that the requirements of Rules 23(a) and 23(b)(3) of the Federal Rules of Civil Procedure are satisfied.

- 2. For purposes of this Agreement, "Lithium Ion Battery" ("Li-Ion Batteries"), "Lithium Ion Battery Cell(s)" ("Li-Ion Cells"), "Lithium Ion Battery Packs" ("Li-Ion Packs"), and "Lithium Ion Battery Products" ("Li-Ion Products") shall have the meanings as defined or otherwise referenced in the Complaint.
- 3. "Releasees" shall refer to TOKIN and to all of its respective past and present, direct and indirect, parents, subsidiaries, and affiliates; the predecessors, successors, and assigns of any of the above; and each and all of the present and former principals, partners, officers, directors, supervisors, employees, agents, representatives, insurers, attorneys, heirs, executors, administrators, and assigns of each of the foregoing. "Releasees" does not include any defendant in the Action other than TOKIN.
- 4. "Class Member" means each member of the Class who has not timely elected to be excluded from the Class.
- 5. "Releasors" shall refer to the direct-purchaser plaintiff Class representatives and the direct-purchaser plaintiff Class Members, and to their past and present officers, directors, employees, agents, stockholders, attorneys, servants, representatives, parents, subsidiaries, affiliates, partners, insurers, and all other persons, partnerships or corporations with whom any of the former have been, or are now, affiliated, and the predecessors, successors, heirs, executives, administrators, and assigns of any of the foregoing.

B. Approval of this Agreement and Dismissal of Claims Against TOKIN.

- 8. Plaintiffs and TOKIN shall use their best efforts to effectuate this Agreement, including cooperating in seeking the Court's approval for the establishment of procedures (including the giving of class notice under Federal Rules of Civil Procedure 23(c) and (e)) to secure the prompt, complete, and final dismissal with prejudice of the Action as to TOKIN only.
- 9. At a time mutually agreed upon by the parties, Plaintiffs shall submit to the Court a motion for authorization to disseminate notice of the settlement and final judgment contemplated by this Agreement to all Class members identified by Plaintiffs and TOKIN (the "Motion"). If notice to the Class is given jointly with any other settling defendant, for purposes of Paragraph 19 below, the costs of notice and claims administration shall be prorated with any other such defendant based on their respective settlement amounts. The Motion shall include: (i)

a proposed form of, method for, and date of dissemination of notice; and (ii) a proposed form of order and final judgment. The text of the foregoing items (i) and (ii) shall be agreed upon by Plaintiffs and TOKIN before submission of the Motion, with the understanding that, among other things, individual notice of the settlement shall be mailed by regular mail or email, with appropriate notice by publication (in the event required by the Court), with all expenses paid from the Settlement Fund subject to Paragraph 19(a). To the extent not already provided, TOKIN will supply to Interim Co-Lead Counsel the names and addresses of putative Class members to the extent reasonably available in TOKIN's records. TOKIN, however, shall not be required to bear any undue burden or expense in providing such list. The Motion shall recite and ask the Court to find that the mailing of the notice of settlement to all members of the Class who can be identified upon reasonable effort constitutes valid, due, and sufficient notice to the Class, constitutes the best notice practicable under the circumstances, and complies fully with the requirements of Federal Rule of Civil Procedure 23.

- 10. Plaintiffs shall seek, and TOKIN will not object unreasonably to the entry of, an order and final judgment, the text of which Plaintiffs and TOKIN shall agree upon. The terms of that order and final judgment will include, at a minimum, the substance of the following provisions:
 - (a) certifying the Class described in Paragraph 1, pursuant to Rule 23 of the Federal Rules of Civil Procedure, solely for purposes of this settlement as a settlement class;
 - (b) as to the Action, approving finally this settlement and its terms as being a fair, reasonable and adequate settlement as to the Class Members within the meaning of Rule 23 of the Federal Rules of Civil Procedure and directing its consummation

according to its terms;

- (c) as to TOKIN, directing that the Action be dismissed with prejudice and, except as provided for in this Agreement, without costs;
- (d) reserving exclusive jurisdiction over the settlement and this Agreement, including the administration and consummation of this settlement, to the United States District Court for the Northern District of California; and
- (e) determining under Federal Rule of Civil Procedure 54(b) that there is no just reason for delay and directing that the judgment of dismissal with prejudice as to TOKIN shall be final.
- certifying the Class described in Paragraph 1 and approving this Agreement under Federal Rule of Civil Procedure 23(e) and a final judgment dismissing the Action with prejudice as to TOKIN against all Class Members and without costs other than those provided for in this Agreement; and (ii) the time for appeal or to seek permission to appeal from the Court's approval of this Agreement and entry of a final judgment as to TOKIN described in (i) hereof has expired or, if appealed, approval of this Agreement and the final judgment as to TOKIN have been affirmed in their entirety by the Court of last resort to which such appeal has been taken and such affirmance has become no longer subject to further appeal or review. It is agreed that the provisions of Rule 60 of the Federal Rules of Civil Procedure shall not be taken into account in determining the above-stated times. On the date that Plaintiffs and TOKIN have executed this Agreement, Plaintiffs and TOKIN shall be bound by its terms and this Agreement shall not be rescinded except in accordance with Paragraphs 17(h) or 26 of this Agreement.
 - 12. Neither this Agreement (whether or not it should become final) nor the final

judgment, nor any and all negotiations, documents, and discussions associated with them, shall be deemed or construed to be an admission by TOKIN or evidence of any violation of any statute or law or of any liability or wrongdoing whatsoever by TOKIN, or of the truth of any of the claims or allegations contained in any complaint or any other pleading filed in the Action, and evidence thereof shall not be discoverable or used directly or indirectly, in any way, whether in the Action or in any other action or proceeding. Neither this Agreement, nor any of its terms and provisions, nor any of the negotiations or proceedings connected with it, nor any other action taken to carry out this Agreement by any of the settling parties shall be referred to, offered as evidence or received in evidence in any pending or future civil, criminal, or administrative action or proceedings, except in a proceeding to enforce this Agreement, or to defend against the assertion of Released Claims, or as otherwise required by law.

C. Release, Discharge, and Covenant Not to Sue.

13. In addition to the effect of any final judgment entered in accordance with this Agreement, upon this Agreement becoming final as set out in Paragraph 11 of this Agreement, and in consideration of payment of the Settlement Amount, as specified in Paragraph 16 of this Agreement, into the Settlement Fund, and for other valuable consideration, the Releasees shall be completely released, acquitted, and forever discharged from any and all claims, demands, actions, suits, causes of action, whether class, individual, or otherwise in nature (whether or not any Class Member has objected to the settlement or makes a claim upon or participates in the Settlement Fund, whether directly, representatively, derivatively or in any other capacity) that Releasors, or each of them, ever had, now has, or hereafter can, shall, or may have on account of, or in any way arising out of, any and all known and unknown, foreseen and unforeseen, suspected or unsuspected, actual or contingent, liquidated or unliquidated, claims, causes of

action, injuries, damages, and the consequences thereof in any way arising out of or relating in any way to any act or omission of the Releasees (or any of them) that is alleged in the Complaint up to the date of the execution of this Agreement or that could have been alleged in the Complaint or in any other complaint filed in the Action (the "Released Claims"). The Released Claims do not include claims for product defect or personal injury or breach of contract arising in the ordinary course of business or indirect purchaser claims for Li-Ion Cells, Li-Ion Batteries or Li-Ion Products that were not purchased directly from Defendants or their subsidiaries, affiliates, or alleged co-conspirators. Releasors shall not, after the date of this Agreement, sue or otherwise seek to establish liability against any Releasee based, in whole or in part, upon any of the Released Claims or conduct at issue in the Released Claims. For purposes of clarity, the Released Claims include any claims under foreign antitrust or competition laws or state antitrust or competition laws (including indirect purchaser claims) that relate to or arise out of the subject of the Plaintiffs' Complaint, but do not include any foreign antitrust or competition law claims or any state law indirect purchaser claims that relate to or arise out of the sale of Li-Ion Cells Li-Ion Batteries or Li-Ion Products that: (a) were not purchased from a Defendant or alleged coconspirator in the Action; or (b) were not sold in the United States.

14. In addition to the provisions of Paragraph 13 of this Agreement, Releasors hereby expressly waive and release, upon this Agreement becoming final, any and all provisions, rights, and benefits conferred by § 1542 of the California Civil Code, which states:

CERTAIN CLAIMS NOT AFFECTED BY GENERAL RELEASE. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR;

or by any law of any state or territory of the United States, or principle of common law, which is

similar, comparable, or equivalent to § 1542 of the California Civil Code. Each Releasor may hereafter discover facts other than or different from those which he, she, or it knows or believes to be true with respect to the Released Claims which are the subject matter of the provisions of Paragraph 13 of this Agreement, but each Releasor hereby expressly waives and fully, finally, and forever settles and releases, upon this Agreement becoming final, any known or unknown, suspected or unsuspected, contingent or non-contingent claim with respect to the subject matter of the provisions of Paragraph 13 of this Agreement, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

Agreement does not include claims by any of the Class Members other than the Released Claims and does not preclude Class Members from pursuing claims based on indirect sales or foreign sales of Li-Ion Cells, Li-Ion Batteries or Li-Ion Products so long as such claims are not based on the same purchases included as part of the Released Claims defined in Paragraph 13. The Releasors hereby covenant and agree that they shall not, hereafter, sue or otherwise seek to establish liability against any of the Releasees based, in whole or in part, upon any of the Released Claims.

D. <u>Settlement Amount.</u>

16. Subject to the provisions hereof, and in full, complete and final settlement of the Action as provided herein, defendant TOKIN shall pay the Settlement Amount of \$4,950,000 (the "Settlement Amount"). The Settlement Amount shall be paid into an escrow account in United States Dollars to be administered in accordance with the provisions of Paragraph 17 of this Agreement (the "Escrow Account") within twenty-one (21) days after preliminary approval of this Agreement.

17. Escrow Account.

- (a) The Escrow Account will be established at Citibank N.A.— Citi Private Bank, San Francisco, California, with such Bank serving as escrow agent ("Escrow Agent") subject to escrow instructions mutually acceptable to Interim Co-Lead Counsel and TOKIN, such escrow to be administered under the Court's continuing supervision and control.
- (b) The Escrow Agent shall cause the funds deposited in the Escrow Account to be invested in short-term instruments backed by the full faith and credit of the United States Government or fully insured in writing by the United States Government, or money market funds rated Aaa and AAA, respectively by Moody's Investor Services and Standard and Poor's, invested substantially in such instruments, and shall reinvest any income from these instruments and the proceeds of these instruments as they mature in similar instruments at their then current market rates.
- (c) All funds held in the Escrow Account shall be deemed and considered to be in custodia legis of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to this Agreement and/or further order(s) of the Court.
- (d) Plaintiffs and TOKIN agree to treat the Settlement Fund as being at all times a qualified settlement fund within the meaning of Treas. Reg. §1.468B-1. In addition, the Escrow Agent shall timely make such elections as necessary or advisable to carry out the provisions of this Paragraph 17, including the relation-back election (as defined in Treas. Reg. §1.468B-1) back to the earliest permitted date. Such elections shall be made in compliance with the procedures and requirements contained in such

regulations. It shall be the responsibility of the Escrow Agent to timely and properly prepare and deliver the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

- (e) For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the administrator shall be the Escrow Agent. The Escrow Agent or its designee shall timely and properly file all informational and other tax returns necessary or advisable with respect to the Settlement Fund (including without limitation the returns described in Treas. Reg. § 1.468B-2(k)(l)). Such returns (as well as the election described in Paragraph 17(d)) shall be consistent with Paragraph 17(d) and in all events shall reflect that all Taxes, as defined below (including any estimated Taxes, interest or penalties), on the income earned by the Settlement Fund shall be paid out of the Settlement Fund as provided in Paragraph 17(f) hereof.
- with respect to the income earned by the Settlement Fund, including any taxes or tax detriments that may be imposed upon TOKIN or any other Releasee with respect to any income earned by the Settlement Fund for any period during which the Settlement Fund does not qualify as a qualified settlement fund for federal or state income tax purposes ("Taxes"); and (ii) expenses and costs incurred in connection with the operation and implementation of Paragraphs 17(d) through 17(f) (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Paragraph 17(f) ("Tax Expenses")), shall be paid out of the Settlement Fund.

- have any liability or responsibility for the Taxes or the Tax Expenses. Further, Taxes and Tax Expenses shall be treated as, and considered to be, a cost of administration of the Settlement Fund and shall be timely paid by the Escrow Agent out of the Settlement Fund without prior order from the Court and the Escrow Agent shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to any claimants authorized by the Court any funds necessary to pay such amounts including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(1)(2)).

 Neither TOKIN nor any other Releasee is responsible nor shall they have any liability therefor. Plaintiffs and TOKIN agree to cooperate with the Escrow Agent, each other, and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of Paragraphs 17(d) through 17(f).
- (h) If this Agreement does not receive final Court approval, including final approval of "the Class" as defined in Plaintiffs' Complaint or, if that complaint is amended, the operative complaint at the time this Agreement is signed, or if the Action is not certified as a class action for settlement purposes, then all amounts paid by TOKIN into the Settlement Fund (other than costs expended in accordance with Paragraph 19(a)) shall within thirty (30) calendar days be returned to TOKIN from the Escrow Account by the Escrow Agent along with any interest accrued thereon.

18. Exclusions.

Within ten (10) business days after the end of the period to request exclusion from the Class, Interim Co-Lead Counsel will cause copies of timely requests for exclusion from the Class

to be provided to counsel for TOKIN. With respect to any potential Class member who requests exclusion from the Class, TOKIN reserves all of its legal rights and defenses, including, but not limited to, any defenses relating to whether the excluded Class Member is a direct purchaser of any allegedly price fixed product and/or has standing to bring any claim.

19. Payment of Expenses.

- (a) TOKIN agrees to permit use of a maximum of \$300,000 of the Settlement Fund towards notice to the class and the costs of administration of the Settlement Fund set forth in Paragraph 16. The \$300,000 in notice and administration expenses are not recoverable if this settlement does not become final to the extent such funds are expended for notice and administration costs. Other than as set forth in this Paragraph 19(a), and subject to the joint notice provisions of Paragraph 9 if applicable, TOKIN shall not be liable for any of the costs or expenses of the litigation of the Action, including attorneys' fees; fees and expenses of expert witnesses and consultants; and costs and expenses associated with discovery, motion practice, hearings before the Court or any Special Master, appeals, trials or the negotiation of other settlements, or for Class administration and costs.
- (b) If Interim Co-Lead Counsel enters into any other settlements on behalf of the Class before notice of this Agreement is given to the Class, Interim Co-Lead Counsel shall use its reasonable best efforts to provide a single notice to prospective Class members of all of the settlements.

E. The Settlement Fund.

20. Releasors shall look solely to the Settlement Fund for settlement and satisfaction against the Releasees of all Released Claims, and shall have no other recovery against TOKIN or

any other Releasee.

- 21. After this Agreement becomes final within the meaning of Paragraph 11, the Settlement Fund shall be distributed in accordance with a plan to be submitted at the appropriate time by Plaintiffs, subject to approval by the Court. In no event shall any Releasee have any responsibility, financial obligation, or liability whatsoever with respect to the investment, distribution, or administration of the Settlement Fund, including, but not limited to, the costs and expenses of such distribution and administration, with the sole exception of the provisions set forth in Paragraph 19(a) of this Agreement.
- 22. Plaintiffs and Class Counsel shall be reimbursed and indemnified solely out of the Settlement Fund for all expenses. TOKIN shall not be liable for any costs, fees, or expenses of any of Plaintiffs' or the Class' respective attorneys, experts, advisors, agents, or representatives, but all such costs, fees, and expenses as approved by the Court shall be paid out of the Settlement Fund.

23. Class Counsel's Attorneys' Fees And Reimbursement of Expenses.

(a) Class Counsel may submit an application or applications to the Court (the "Fee and Expense Application") for distribution to them from the Settlement Fund and TOKIN shall not oppose such application for: (i) an award of attorneys' fees not in excess of one-third of the settlement fund; plus (ii) reimbursement of expenses and costs incurred in connection with prosecuting the Action, plus interest on such attorneys' fees, costs, and expenses at the same rate and for the same period as earned by the Settlement Fund (until paid) as may be awarded by the Court (the "Fee and Expense Award"). Class Counsel reserve the right to make additional applications for fees and expenses incurred, but in no event shall Releasees be responsible to pay any such additional fees and

expenses except to the extent they are paid out of the Settlement Fund.

- (b) The Fee and Expense Award, as approved by the Court, shall be paid solely from the Settlement Fund.
- (c) The procedure for and the allowance or disallowance by the Court of the application by Class Counsel for attorneys' fees, costs, and expenses to be paid out of the Settlement Fund are not part of this Agreement, and are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement, and any order or proceeding relating to the Fee and Expense Application, or any appeal from any such order shall not operate to terminate or cancel this Agreement, or affect or delay the finality of the judgment approving the settlement.
- (d) Neither TOKIN nor any other Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to any payment to Class Counsel of any Fee and/or Expense Award in the Action.
- (e) Neither TOKIN nor any other Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to the allocation among Class Counsel, and/or any other person who may assert some claim thereto, of any Fee and/or Expense Award that the Court may make in the Action.

F. Obligations During Pendency of Agreement.

- 24. TOKIN need not respond to formal discovery from Plaintiffs or otherwise participate in the Action during the pendency of this Agreement. TOKIN agrees to withdraw all outstanding discovery served on Plaintiffs and neither TOKIN nor Plaintiffs shall file motions against the other during the pendency of the Agreement.
 - 25. TOKIN and Plaintiffs agree not to disclose publicly or to any other defendant the

terms of this Agreement until this Agreement is submitted to the Court for approval.

- G. Rescission if this Agreement is Not Approved or Final Judgment is Not Entered.
- 26. If the Court refuses to approve this Agreement or any part hereof, including if the Court does not certify a settlement class in accordance with the specific class definition set forth in Plaintiffs' Complaint, or if such approval is modified or set aside on appeal, or if the Court does not enter the final judgment provided for in Paragraph 10 of this Agreement, or if the Court enters the final judgment and appellate review is sought, and on such review, such final judgment is not affirmed in its entirety, then TOKIN and the Plaintiffs shall each, in their sole discretion, have the option to rescind this Agreement in its entirety. Written notice of the exercise of any such right to rescind shall be made according to the terms of Paragraph 37. A modification or reversal on appeal of any amount of Class Counsel's fees and expenses awarded by the Court from the Settlement Fund shall not be deemed a modification of all or a part of the terms of this Agreement or such final judgment.
- 27. In the event that this Agreement does not become final or is rescinded or terminated in accordance with Paragraph 26, then this Agreement shall be of no force or effect and the entirety of the Settlement Fund deposited in the Escrow Account (including interest earned thereon) shall be returned forthwith to TOKIN less only disbursements made in accordance with Paragraph 19(a) of this Agreement. TOKIN expressly reserves all of its rights and defenses if this Agreement does not become final.
- 28. Further, and in any event, Plaintiffs and TOKIN agree that this Agreement, whether or not it shall become final, and any and all negotiations, documents, and discussions associated with it, shall not be deemed or construed to be an admission or evidence of any violation of any statute or law or of any liability or wrongdoing whatsoever by TOKIN or the

Releasees, or of the truth of any of the claims or allegations contained in the complaint or any other pleading filed in the Action, or by any person or entity in any other action, and evidence thereof shall not be discoverable or used directly or indirectly, in any way, whether in the Action or in any other action or proceeding.

- 29. This Agreement shall be construed and interpreted to effectuate the intent of the parties, which is to provide, through this Agreement, for a complete resolution of the relevant claims with respect to each Releasee as provided in this Agreement.
- 30. The parties to this Agreement contemplate and agree that, prior to final approval of the settlement as provided for in Paragraphs 8 through 11 hereof, appropriate notice of: (1) the settlement; and (2) a hearing at which the Court will consider the approval of this Settlement Agreement will be given to Class members.

H. <u>Miscellaneous</u>.

- 31. This Agreement does not settle or compromise any claim by Plaintiffs or any Class Member asserted in the Complaint or, if amended, any subsequent Complaint, against any defendant or alleged co-conspirator other than the Releasees. This Agreement shall be governed by and interpreted according to the substantive laws of the state of California without regard to its choice of law or

conflict of laws principles.

- 33. This Agreement constitutes the entire, complete, and integrated agreement among Plaintiffs and TOKIN pertaining to the settlement of the Action against TOKIN, and supersedes all prior and contemporaneous undertakings of Plaintiffs and TOKIN in connection herewith.

 This Agreement may not be modified or amended except in writing executed by Plaintiffs and TOKIN, and approved by the Court.
- 34. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of Plaintiffs and TOKIN. Without limiting the generality of the foregoing, each and every covenant and agreement made herein by Plaintiffs, Interim Co-Lead Counsel or Class Counsel shall be binding upon all Class Members and Releasors. - 35. This Agreement may be executed in counterparts by Plaintiffs and TOKIN, and a .pdf signature via email shall be deemed an original signature for purposes of executing this Agreement.
- 36. Neither Plaintiffs nor TOKIN shall be considered to be the drafter of this

 Agreement or any of its provisions for the purpose of any statute, case law, or rule of
 interpretation or construction that would or might cause any provision to be construed against the
 drafter of this Agreement.
- 37. Where this Agreement requires either party to provide notice or any other communication or document to the other, such notice shall be in writing, and such notice, communication, or document shall be provided by email or letter by overnight delivery to the undersigned counsel of record for the party to whom notice is being provided.
