IN RE: LITHIUM ION BATTERIES
ANTITRUST LITIGATION

Case No. 13-md-02420-YGR

MDL No. 2420

This Document Relates To:

ALL DIRECT PURCHASER ACTIONS

**DECLARATION OF GUY J. THOMPSON
IN SUPPORT OF FINAL APPROVAL OF
CLASS ACTION SETTLEMENTS WITH
MAXELL, NEC, PANASONIC AND
TOSHIBA DEFENDANTS**

1 I, Guy J. Thompson, declare as follows:

2 1. I am employed by Epiq Systems, Inc. (“Epiq”), located at 10300 SW Allen
3 Boulevard, Portland, Oregon. Epiq was hired by Class Counsel as the Settlement Administrator in
4 this matter. I am over 21 years of age and am not a party to this action. I have personal knowledge
5 of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

6 2. Prior to joining Epiq, I practiced law as an Assistant Attorney General for the
7 Arizona Attorney General’s Office. I earned my Juris Doctorate from Notre Dame Law School. I
8 am fully familiar with the actions taken by Epiq with respect to the Settlement as described below,
9 and am competent to testify about them if called upon to do so. This declaration is based upon my
10 personal knowledge and information provided to me by associates or staff under my or common
11 supervision, and review of the business records maintained by Epiq. It is accurate and truthful to
12 the best of my knowledge.

13 3. Epiq is a full-service data processing company that has been administering
14 bankruptcies since 1985 and settlements since 1993, including settlements of class actions, mass
15 tort matters, SEC and FTC disgorgement actions, and other major litigation. Our associates
16 include technology experts, attorneys, paralegals, MBAs, and CPAs. Epiq has administered more
17 than 1,000 settlements in some of the largest and most complex cases ever settled.

18 4. Epiq is a firm with more than 20 years of experience in data processing, claims
19 processing, and settlement administration. Epiq’s class action case administration services include
20 the coordination of all notice requirements, design of direct-mail notice, receipt and processing of
21 opt-outs and objections by potential class members, coordination with the United States Postal
22 Service, claims database management, claim adjudication, fund management, and distribution
23 services. Epiq works with the settling parties, the Court, and the settlement class members in a
24 neutral facilitation role, taking the negotiated terms of a settlement and implementing settlement
25 administration services.

26 5. From May 5, 2017, through May 10, 2017, Epiq caused the Maxell, NEC,
27 Panasonic, and Toshiba Long-Form Notice (hereinafter referred to as “Notice”) to be printed and
28 mailed to the 856,721 unique names and addresses on the class list. Epiq delivered the Notice to

1 the United States Post Office located in Beaverton, Oregon. A true and correct copy of the Notice
2 is attached hereto as Exhibit A. A total of 111,121 Notices were returned as undeliverable. Epiq
3 attempted to locate updated addresses by processing the names and addresses through the National
4 Change of Address Database. Epiq located updated addresses for and re-mailed 940 of these
5 records.

6 6. On May 5, 2017, Epiq published updates to the settlement website to inform class
7 members about the Maxell, NEC, Panasonic, and Toshiba settlements. The domain name for the
8 settlement website is www.BatteriesDirectPurchaserAntitrustSettlement.com. The website
9 contains a “Frequently Asked Questions” page that provides similar information as the Notice.
10 The website also has an “Important Documents” page that allows class members to review, print,
11 or download copies of all case-related documents, including the motion for and orders granting
12 preliminary approval of the Maxell, NEC, Panasonic, and Toshiba settlements; the Maxell, NEC,
13 Panasonic, and Toshiba settlement agreements; and the Notice.

14 7. On April 26, 2016, Epiq made the toll-free telephone number (844) 778-5952
15 available to potential class members. This phone number has been available since the
16 aforementioned date and continues to be a resource for class members as of the date of this
17 Declaration. The phone number provides class members with two types of support. First, it has an
18 IVR feature, which is a 24-hour automated service that provides information regarding the Sony
19 Settlement and answers frequently asked questions. Second, the IVR feature provides class
20 members the option to speak with a live agent for additional information. The live agents are
21 trained to answer class members’ questions regarding the settlements and claim filing process. The
22 live agents are available Monday through Friday from 6:00am until 6:00pm (PST).

23 8. Epiq caused the Maxell, NEC, Panasonic, and Toshiba Short-Form Notice to class
24 members to be published in the national edition of the *Wall Street Journal* on May 15, 2017. A
25 true and correct copy of the tear sheet provided by the *Wall Street Journal* is attached hereto as
26 Exhibit B.

9. The postmark deadline for class members to request exclusion from — or object to — the Maxell, NEC, Panasonic, and Toshiba settlements was June 26, 2017. Epiq has received 94 requests for exclusion from the settlements.

10. A report detailing the requests for exclusion from the Maxell Settlement received by Epiq is attached hereto as Exhibit C.

11. A report detailing the requests for exclusion from the NEC Settlement received by Epiq is attached hereto as Exhibit D.

12. A report detailing the requests for exclusion from the Panasonic Settlement received by Epiq is attached hereto as Exhibit E.

13. A report detailing the requests for exclusion from the Toshiba Settlement received by Epiq is attached hereto as Exhibit F.

14. Epiq received one objection, attached hereto as Exhibit G, and it was previously filed with the Court. ECF Nos. 1843, 1844. No other objections have been received to date.

I declare under the penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed on July 21, 2017, in Beaverton, Oregon.

Guy J. Thompson
Project Manager

UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA

If You Bought a Lithium Ion Cell, Lithium Ion Battery or Lithium Ion Battery Product, Class Action Settlements May Affect You.

A “Lithium Ion Battery” is a cylindrical, prismatic or polymer battery that is rechargeable and uses lithium ion technology. A “Lithium Ion Battery Product” is a product manufactured, marketed and/or sold by Defendants, their divisions, subsidiaries or Affiliates, or their alleged co-conspirators that contains one or more Lithium Ion Battery Cells manufactured by Defendants or their alleged co-conspirators. Lithium Ion Battery Products include, but are not limited to, notebook computers, cellular (mobile) phones, digital cameras, camcorders and power tools.

A Federal Court authorized this Notice. This is not a solicitation from a lawyer.

- A class action lawsuit brought on behalf of direct purchasers of Lithium Ion Battery Cells (“Li-Ion Cells”), Lithium Ion Batteries (“Li-Ion Batteries”) and Lithium Ion Battery Products (“Li-Ion Products”) is currently pending.
- Plaintiffs claim that Defendants (listed below) and co-conspirators engaged in an unlawful conspiracy to fix, raise, maintain or stabilize the prices of Li-Ion Cells. Plaintiffs further claim that direct purchasers from the Defendants of Li-Ion Cells, Li-Ion Batteries and Li-Ion Products may recover for the effect that the conspiracy had on the prices of these devices. Plaintiffs allege that, as a result of the unlawful conspiracy involving Li-Ion Cells, they and other direct purchasers paid more for Li-Ion Cells, Li-Ion Batteries and Li-Ion Products than they would have paid absent the conspiracy. Defendants deny Plaintiffs’ claims.
- Settlements have been reached with Defendants Hitachi Maxell, Ltd. and Maxell Corporation of America (collectively, “Maxell”); Defendant NEC Corporation (“NEC”); Defendant Panasonic Corporation (“Panasonic”); and Defendant Toshiba Corporation (“Toshiba”) (collectively, “Settling Defendants”). The Panasonic Settlement also resolves claims against Defendants SANYO Electric. Co., Ltd. and SANYO North America Corporation (collectively, “SANYO”) and Panasonic Corporation of North America.
- Your legal rights will be affected whether you act or don’t act. This Notice includes information on the Settlements and the lawsuit. Please read the entire Notice carefully.

These rights and options—and deadlines to exercise them—are explained in this Notice.

- You can object to or comment on the Settlements..... *see* Question 10
- You may exclude yourself from the Settlements *see* Question 10
- You may go to a hearing and comment on the Settlements..... *see* Question 12

- The Court in charge of this case still has to decide whether to approve the Settlements.

Getting More Information Page 6

16. How do I get more information?

BASIC INFORMATION

1. Why did I get this Notice?

You or your company may have directly purchased Li-Ion Cells, Li-Ion Batteries and/or Li-Ion Products from January 1, 2000 through May 31, 2011. For purposes of the Settlements, a direct purchaser is a person or business who bought a Li-Ion Cell, Li-Ion Battery and/or Li-Ion Product directly from one or more of the Defendants, or any division, subsidiary or Affiliate thereof, or any alleged co-conspirator (as opposed to an intermediary, such as a retail store) in the United States.

You have the right to know about the litigation and about your legal rights and options before the Court decides whether to approve the Settlements.

The Notice explains the litigation, the Settlements and your legal rights.

The Court in charge of the case is the United States District Court for the Northern District of California, and the case is called *In re Lithium Ion Batteries Antitrust Litigation*, Case No. 13-MD-02420-YGR. The people who sued are called “Plaintiffs,” and the companies they sued are called “Defendants.”

**For More Information: Call 1-844-778-5952
or Visit www.BatteriesDirectPurchaserAntitrustSettlement.com**

2. Who are the Defendant companies?

The Defendant companies include the following: LG Chem, Ltd.; LG Chem America, Inc.; Samsung SDI Co. Ltd.; Samsung SDI America, Inc.; Panasonic Corporation; Panasonic Corporation of North America; SANYO Electric Co., Ltd.; SANYO North America Corporation; Sony Corporation; Sony Energy Devices Corporation; Sony Electronics Inc.; Hitachi Maxell, Ltd.; Maxell Corporation of America; NEC Corporation; NEC Tokin Corporation; and Toshiba Corporation.

3. What is this lawsuit about?

The lawsuit alleges that Defendants and co-conspirators conspired to raise and fix the prices of Li-Ion Cells for over ten years, resulting in overcharges to direct purchasers of Li-Ion Cells, Li-Ion Batteries and Li-Ion Products. The Complaint describes how the Defendants and co-conspirators allegedly violated the U.S. antitrust laws by agreeing to fix prices and restrict output of Li-Ion Cells by, among other things, face-to-face meetings and other communications, customer allocation and the use of trade associations. Defendants deny Plaintiffs' allegations. The Court has not decided who is right.

4. Why are there Settlements, although the litigation is continuing?

Plaintiffs have reached Settlements with Defendants Maxell, NEC, Toshiba and Panasonic. The Panasonic Settlement also resolves claims against SANYO. The Court has already approved a settlement with another group of Defendants—Sony Corporation, Sony Energy Devices Corporation and Sony Electronics Inc. (collectively, "Sony"). The case is continuing against the remaining non-released Defendants. Additional money may become available in the future as a result of a trial or future settlements, but there is no guarantee that this will happen.

5. What are Li-Ion Cells, Li-Ion Batteries and Li-Ion Products?

For the purposes of the settlements:

- "Lithium Ion Battery Cell(s)" or "Li-Ion Cells" means the main components of Lithium Ion Batteries. A cell includes the cathode, anode and electrolyte.
- "Lithium Ion Battery" or "Li-Ion Battery" means a cylindrical, prismatic or polymer battery that is rechargeable and uses lithium ion technology.
- "Lithium Ion Battery Products" or "Li-Ion Products" means products manufactured, marketed and/or sold by Defendants, their divisions, subsidiaries or Affiliates, or their alleged co-conspirators that contain one or more Lithium Ion Battery Cells manufactured by Defendants or their alleged co-conspirators. Lithium Ion Battery Products include, but are not limited to, notebook computers, cellular (mobile) phones, digital cameras, camcorders and power tools.

6. What is a class action?

In a class action, one or more people, called "class representatives," sue on behalf of people who have similar claims. All these people are members of the class, except for those who exclude themselves from the class.

Important information about the case will be posted on the website www.BatteriesDirectPurchaserAntitrustSettlement.com as it becomes available. Please check the website to be kept informed about any future developments.

THE SETTLEMENT CLASSES

7. How do I know if I'm part of the Settlement Classes?

The Maxell, NEC and Toshiba Settlement Classes include persons and entities who, from January 1, 2000 through May 31, 2011, bought a Li-Ion Cell, Li-Ion Battery and/or Li-Ion Product directly from one or more of the Defendants, or any division, subsidiary or Affiliate thereof, or any alleged co-conspirator (as opposed to an intermediary, such as a retail store) in the United States. The Panasonic Settlement Class includes persons and entities who made such purchases from May 1, 2002 through May 31, 2011.

8. What do the Settlements provide?

The Settlements provide for payments totaling \$49,850,000.00 in cash, plus interest, as follows: Maxell—\$3.45 million; NEC—\$1 million; Panasonic—\$42.5 million; Toshiba—\$2.9 million. The Settlements also provide for continuing cooperation, including the production of witnesses. In addition, Settling Defendants' sales remain in the case for the purpose of computing damages against the remaining Defendants.

More details are in the Settlement Agreements, available at www.BatteriesDirectPurchaserAntitrustSettlement.com.

9. When can I get a payment?

No money will be distributed to any members of the Settlement Classes yet. The lawyers will pursue the lawsuit against the remaining Defendants to see if any future settlements or judgments can be obtained in the case and then be distributed together, to reduce expenses.

You will be notified in the future when and where to send a claim form. **DO NOT SEND ANY CLAIMS NOW.**

In the future, the Settlement Funds will be allocated on a *pro rata* basis based on the dollar value of each Class Member's purchase(s) of Li-Ion Cells, Li-Ion Batteries and/or Li-Ion Products in proportion to the total claims filed. For purposes of determining the *pro rata* allocation of the Settlement Funds, purchases of Li-Ion Batteries and/or Li-Ion Products will be valued according to the proportionate value of the Li-Ion Cells contained in the product. The resulting amounts will be multiplied by the Net Settlement Funds (total settlements minus all costs, attorneys' fees and expenses) to determine each claimant's *pro rata* share of the Settlement Fund.

10. What are my rights in the Settlement Classes?

Remain in the Settlement Classes: If you wish to remain a member of the Settlement Classes, you do not need to take any action at this time.

Get out of the Settlement Classes: If you wish to keep any of your rights to sue Maxell, NEC, Panasonic, SANYO and/or Toshiba about claims concerning the manufacture, supply, distribution, sale or pricing of Li-Ion Cells, other than indirect purchaser claims, or claims for product liability, personal injury or breach of contract claims not related to the allegations in this case, you must exclude yourself from the Settlement Classes relating to the Defendant(s) you wish to retain your rights to sue. You will not get any money from the Settlements from which you exclude yourself.

To exclude yourself from one or more of the Settlement Classes, you must send a letter that includes the following:

- Your name, address and telephone number (include trade or business names, and address, and telephone numbers);
- A statement saying that you want to be excluded from *In re Lithium Ion Batteries Antitrust Litigation*, Case No. 13-MD-02420-YGR, Direct Purchaser Plaintiff Settlements with Maxell, NEC, Panasonic and/or Toshiba; and
- Your signature.

**For More Information: Call 1-844-778-5952
or Visit www.BatteriesDirectPurchaserAntitrustSettlement.com**

You must mail your exclusion request, postmarked no later than **June 26, 2017**, to:

In re Lithium Ion Batteries Antitrust Litigation
Settlement Administrator
P.O. Box 4098
Portland, OR 97208-4098

Remain in the Settlement Classes and Object: You can ask the Court to deny approval of one or more of the Settlements by filing an objection. You can't ask the Court to order larger settlements; the Court can only approve or deny the Settlements. If the Court denies approval, no settlement payments will be sent out, and the lawsuit will continue. If that is what you want to happen, you must object.

You may object to the proposed Settlements in writing. You may also appear at the Fairness Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for paying that attorney. All written objections and supporting papers must (a) clearly identify the case name and number (*In re Lithium Ion Batteries Antitrust Litigation*, Case No. 13-MD-02420-YGR); (b) be submitted to the Court either by mailing them to the Class Action Clerk, United States District Court for the Northern District of California, 1301 Clay Street, Oakland, CA 94612, or by filing them in person at any location of the United States District Court for the Northern District of California; and (c) be filed or postmarked on or before **June 26, 2017**.

11. What am I giving up to stay in the Settlement Classes?

Unless you exclude yourself from the relevant Settlement Class(es), you can't sue Maxell, NEC, Panasonic, SANYO or Toshiba, or be part of any other lawsuit against Maxell, NEC, Panasonic, SANYO or Toshiba, about the legal issues in this case. It also means that all of the decisions by the Court will bind you. The "Release of Claims" includes any causes of actions asserted or that could have been asserted in the lawsuit, as described more fully in the Settlement Agreements. The Settlement Agreements are available at www.BatteriesDirectPurchaserAntitrustSettlement.com.

THE SETTLEMENT FAIRNESS HEARING

12. When and where will the Court decide whether to approve the Settlements?

The Court will hold a Fairness Hearing at **2:00 p.m.** on **August 29, 2017**, at United States District Courthouse, 1301 Clay Street, Courtroom 1, 4th Floor, Oakland, CA 94612. The hearing may be moved to a different date or time without additional notice, so it is a good idea to check the Settlement Class website for information. At this hearing, the Court will consider whether the Settlements are fair, reasonable and adequate. If there are objections, the Court will consider them at that time. After the hearing, the Court will decide whether to approve the Settlements. We do not know how long these decisions will take.

13. Do I have to attend the hearing?

No. Class Counsel will answer any questions the Court may have. But, you are welcome to come at your own expense. If you file or mail an objection, you don't have to come to Court to talk about it. As long as you filed or mailed your written objection on time, the Court will consider it. You may also pay another lawyer to attend, but it's not required.

**For More Information: Call 1-844-778-5952
or Visit www.BatteriesDirectPurchaserAntitrustSettlement.com**

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in the case?

Yes. The Court has appointed the law firms of Saveri & Saveri, Inc.; Pearson, Simon & Warshaw, LLP; and Berman DeValerio to represent you as “Class Counsel.” You do not have to pay Class Counsel. If you want to be represented by your own lawyer, and have that lawyer appear in court for you in this case, you may hire one at your own expense. The contact information for Class Counsel is as follows:

CLASS COUNSEL		
R. Alexander Saveri Geoffrey C. Rushing SAVERI & SAVERI, INC. 706 Sansome Street San Francisco, CA 94111	Bruce L. Simon PEARSON, SIMON & WARSHAW, LLP 44 Montgomery Street, Suite 2450 San Francisco, CA 94104	Joseph J. Tabacco, Jr. BERMAN DEVALERIO 44 Montgomery Street, Suite 650 San Francisco, CA 94104

15. How will the lawyers be paid?

Class Counsel are not asking for attorneys’ fees at this time. At a future time, Class Counsel will ask the Court for attorneys’ fees not to exceed one-third (33.3%) of this or any future settlement fund plus reimbursement of their costs and expenses, in accordance with the provisions of the Settlement Agreements. Class Counsel may also request that an amount be paid to each of the class representatives who helped the lawyers on behalf of the whole Class (known as an “incentive award”).

GETTING MORE INFORMATION

16. How do I get more information?

This Notice summarizes the proposed Settlements. For the precise terms and conditions of the Settlements, please see the Settlement Agreements available at www.BatteriesDirectPurchaserAntitrustSettlement.com, by contacting Class Counsel at the addresses listed above under Question 14, by accessing the Court docket in this case through the Court’s Public Access to Court Electronic Records (PACER) system at www.cand.uscourts.gov/cm-ecf (using the instructions provided at www.cand.uscourts.gov/existcasefaq and www.pacer.gov/psc/faq.html), or by visiting the office of the Clerk of the Court for the United States District Court for the Northern District of California, 1301 Clay Street, Courtroom 1, 4th Floor, Oakland, CA 94612, between 9:00 a.m. and 4:00 p.m., Monday through Friday, excluding Court holidays.

PLEASE DO NOT TELEPHONE THE COURT OR THE COURT CLERK’S OFFICE TO INQUIRE ABOUT THESE SETTLEMENTS OR THE CLAIM PROCESS.

Dated: May 10, 2017

COMMODITIES

A refinery complex belonging to Citgo's parent and Venezuelan state oil company PdVSA.

Dozens of Creditors Crowd Around Citgo

By JULIE WERNAU

Bondholders looking for compensation if Venezuela defaults know that one big pot of money remains: the assets of state-owned oil refiner **Citgo Holdings Inc.**

But there is a problem. Dozens of companies are lining up with claims on those same funds.

Venezuela last year pledged all of Citgo's equity as collateral to bondholders and to state-owned Russian oil producer Rosneft in debt deals. In addition, at least 43 companies—including **ConocoPhillips Co.** and Canadian mining firm **Crystalex International Corp.**—are pursuing legal claims against the government, according to the World Bank's International Center for Settlement of Investment Disputes. These companies say they weren't paid when Venezuela's government expropriated their assets there.

Now, with Wall Street judging that a default may only be a matter of time, it is becoming clear that there isn't nearly enough of Citgo to go around.

"There are more hands out than there are assets to pay them," said Russ Dallen, a partner at investment bank Caracas Capital Markets, based in the Venezuelan capital.

A default would trigger rights enabling any of the claimants to attempt to seize Citgo, triggering cross-default clauses in Venezuelan sovereign bonds if they remain unpaid once a final court order is issued, according to Credit Suisse. Attorneys say that would send creditors into a frenzied legal battle for assets that could take years to resolve.

Citgo reported in bond-offering documents that its 2015 equity value was \$8.3 billion. But many analysts believe the true figure is at least \$3 billion lower now, and possibly more as rising oil prices and growing stockpiles of fuel squeezed profits for refiners. It also reflects a multibillion-dollar dividend Citgo paid to its parent, **Petróleos de Venezuela SA**, or PdVSA, the state-owned oil company.

Meanwhile, claims on Citgo appear to be ballooning. Venezuela's total potential liabilities related to claims pending before the International Center for Settlement of Investment Disputes could reach around \$10 billion, Credit Suisse estimated in March. These companies are converging on Citgo because it is Venezuela's most accessible source of dollar-based assets, attorneys say.

Based in Houston, Citgo owns refineries in Lake Charles, La.; Corpus Christi, Texas; and Lemont, Ill. The company also owns valuable networks of pipelines and fuel-distribution terminals in the eastern U.S.

Earlier this month, Sens. Ben Cardin (D, Md.) and Marco Rubio (R, Fla.), along with a number of other senators, proposed legislation calling for President Donald Trump to prevent Russian oil giant Rosneft from seizing the company. Foreign control of Citgo would pose a "significant risk" to U.S. energy and national security, the legislation said. Rosneft is currently under U.S. sanctions, which would prevent a takeover of U.S. assets.

"The prize here is Citgo and we are getting closer to it," said Robert L. Weigel, a lawyer for Crystalex, which won a \$1.4 billion arbitration award last year against Venezuela follow-

Coming Due

Venezuela owes \$10 billion to bondholders in 2017 and chances for a default are growing

2017 bond payments due

Sources: Venezuela Opportunity Fund; Nomura (percentage probability)

Percentage probability of a Venezuelan default

THE WALL STREET JOURNAL.

Remaining Value Is Open Question

Creditors and companies around the world are mounting competing claims for **Citgo's** assets in the increasingly likely event of a Venezuelan default. But it isn't clear how much value remains.

Citgo, the Houston-based subsidiary of Venezuela's state-owned oil company **Petróleos de Venezuela SA**, is the largest foreign owner of U.S. domestic refinery capacity. With three refineries in the U.S. and a network of terminals and pipelines running across 24 states, the company has increasingly become a source of cash for struggling Venezuela.

What the company is worth today is unclear, and estimates vary widely. PdVSA said last year in a bond document that Citgo's 2015 equity value was \$8.3 billion. But many analysts place the value much lower than that. One banker calculated that Citgo's equity was worth between \$3 billion and \$5 billion, based in part on a Moody's Investors Service's 2017 earnings forecast.

Whatever Citgo's value, it is almost certainly less than the more than \$10 billion in arbitration claims against the Venezuelan government, made by companies operating in Venezuela whose assets were nationalized under the government's socialist regime.

Citgo was founded in 1910 as Cities Service Co. by Henry Doherty, an oil pioneer from Columbus, Ohio. Over the next 20

years, it expanded through the discovery of oil fields in Kansas and the purchase of refineries in Oklahoma and Texas. In 1964, the company shortened its name to Citgo to sound catchier in marketing campaigns.

Occidental Petroleum Corp. acquired Cities Service in 1982. A year later, Occidental sold the Citgo brand to **Southland Corp.** owner of 7-Eleven stores.

In 1986, Southland sold 50% of Citgo's equity to PdVSA for \$290 million. The deal gave Citgo access to Venezuelan crude for the next 20 years. PdVSA provided half of Citgo's working-capital requirements through the supply of crude and petroleum products. In 1990, PdVSA acquired the remaining half of Citgo for \$661.5 million.

By 2015, one of the most profitable years for refining margins, analysts anticipated that a sale of Citgo would fetch between \$8 billion and \$11 billion. Recently, Venezuela has relied on the PdVSA unit to plug its financial holes. In 2015, Citgo transferred \$2.2 billion to the Venezuelan government through a special dividend using the proceeds of a U.S. bond sale, according to a 2016 exchange offering. Last year, PdVSA pledged 100% of shares in Citgo to its creditors.

There are also 5,500 locally owned Citgo retail locations in 29 states and the District of Columbia. While Citgo's red triangle logo may be a familiar sight to many motorists, the stations are independently owned and operated, and not included in the company's valuation.

—Julie Wernau and Alison Sider

years, it expanded through the discovery of oil fields in Kansas and the purchase of refineries in Oklahoma and Texas. In 1964, the company shortened its name to Citgo to sound catchier in marketing campaigns.

Occidental Petroleum Corp. acquired Cities Service in 1982. A year later, Occidental sold the Citgo brand to **Southland Corp.** owner of 7-Eleven stores.

In 1986, Southland sold 50% of Citgo's equity to PdVSA for \$290 million. The deal gave Citgo access to Venezuelan crude for the next 20 years. PdVSA provided half of Citgo's working-capital requirements through the supply of crude and petroleum products. In 1990, PdVSA acquired the remaining half of Citgo for \$661.5 million.

By 2015, one of the most profitable years for refining margins, analysts anticipated that a sale of Citgo would fetch between \$8 billion and \$11 billion. Recently, Venezuela has relied on the PdVSA unit to plug its financial holes. In 2015, Citgo transferred \$2.2 billion to the Venezuelan government through a special dividend using the proceeds of a U.S. bond sale, according to a 2016 exchange offering. Last year, PdVSA pledged 100% of shares in Citgo to its creditors.

There are also 5,500 locally owned Citgo retail locations in 29 states and the District of Columbia. While Citgo's red triangle logo may be a familiar sight to many motorists, the stations are independently owned and operated, and not included in the company's valuation.

—Julie Wernau and Alison Sider

lien is premature and would strip Venezuela of its immunity rights as a sovereign nation. An attorney for Rosneft didn't respond to requests for comment.

PdVSA avoided default last month after scraping together a \$2.1 billion payment. This year, Venezuela, PdVSA and Citgo together owe more than \$10 billion.

Lee C. Buchheit, a sovereign-debt lawyer with Cleary Gottlieb Steen and Hamilton LLP, warned that any effort by bondholders to claim Citgo shares after a default would entitle Citgo creditors to demand immediate repayment of their loans to the company. That move could financially devastate the refiner.

"Everyone in the game is a big boy and they know the only way Citgo is worth anything is if it is a going concern," Mr. Dallen of Caracas Capital Markets said.

CLASS ACTIONS

LEGAL NOTICE

If You Bought a Lithium Ion Cell, Lithium Ion Battery or Lithium Ion Battery Product, Class Action Settlements May Affect You.

Lithium Ion Battery Products include, but are not limited to, notebook computers, cellular (mobile) phones, digital cameras, camcorders and power tools.

Why was this notice published?

Settlements have been reached with four groups of defendants in a class action lawsuit involving Lithium Ion Cells ("Li-Ion Cells"), Lithium Ion Batteries ("Li-Ion Batteries") and Lithium Ion Battery Products ("Li-Ion Products"). A Li-Ion Battery is a cylindrical, prismatic or polymer battery that is rechargeable and uses lithium ion technology. A Li-Ion Product is a product manufactured, marketed and/or sold by Defendants, their divisions, subsidiaries or Affiliates, or their alleged co-conspirators that contains one or more Lithium Ion Cells manufactured by Defendants or their alleged co-conspirators. Li-Ion Products include, but are not limited to, notebook computers, cellular (mobile) phones, digital cameras, camcorders and power tools.

What is this lawsuit about?

The lawsuit alleges that Defendants and co-conspirators engaged in an unlawful conspiracy to fix, raise, maintain or stabilize the prices of Li-Ion Cells. Plaintiffs further claim that direct purchasers from the Defendants of Li-Ion Cells, Li-Ion Batteries and/or Li-Ion Products manufactured by a Defendant may recover for the effect that the alleged conspiracy had on the prices of the purchased items. Plaintiffs allege that, as result of the unlawful conspiracy involving Li-Ion Cells, they and other direct purchasers paid more for Li-Ion Cells, Li-Ion Batteries and Li-Ion Products than they would have absent the conspiracy. Defendants deny Plaintiffs' claims.

Who's included in the settlements?

The settlement classes include persons and entities who, from January 1, 2000 through May 31, 2011, or from May 1, 2002 through May 31, 2011, bought a Li-Ion Cell, Li-Ion Battery and/or Li-Ion Product directly from one or more of the Defendants, or any division, subsidiary or affiliate thereof, or any alleged co-conspirator in the United States.

Who are the Settling Defendants?

Settlements have been reached with Defendants Hitachi Maxell, Ltd., and Maxell Corporation of America (collectively "Maxell"); Defendant NEC Corporation ("NEC"); Defendant Panasonic Corporation ("Panasonic"); and Defendant Toshiba Corporation ("Toshiba") (collectively "Settling Defendants"). The Panasonic Settlement also resolves claims against the SANYO Defendants. A complete list of Defendants is set out in the Long Form of Notice available at www.BatteriesDirectPurchaserAntitrustSettlement.com.

What do the settlements provide?

The settlements provide for payments totaling \$49,850,000 in cash, plus interest, to the settlement classes. Some Settling Defendants have agreed to produce witnesses in the case against the remaining Defendants. Money will not be distributed to members of the settlement classes at this time. The lawyers will pursue the lawsuit against the other Defendants, to see if any future settlements or judgments can be obtained in the case and then be distributed together, on a *pro rata* basis based on the value of your Li-Ion Cell, Li-Ion Battery and/or Li-Ion Product purchases, to reduce expenses.

What are my rights?

If you wish to remain a member of the settlement classes you do not need to take any action at this time. If you do not want to be legally bound by one or more of the settlements, you must exclude yourself in writing by **June 26, 2017**, or you will not be able to sue, or continue to sue, any Settling Defendants about the legal claims that were or could have been asserted in this case.

If you wish to object to any aspect of one or more of the proposed settlements, you must do so in writing no later than **June 26, 2017**. The settlement agreements, along with details on how to object to them, are available at www.BatteriesDirectPurchaserAntitrustSettlement.com. The U.S. District Court for the Northern District of California will hold a Fairness Hearing on **August 29, 2017 at 2:00 p.m.**, at 1301 Clay Street, Courtroom 1, 4th Floor, Oakland, CA 94612, to consider whether the settlements are fair, reasonable and adequate. If there are objections, the Court will consider them at that time. You may appear at the hearing, but don't have to. We do not know how long these decisions will take. The hearing may be moved to a different date or time without additional notice, so it is a good idea to check the website for information. Please do not contact the Court about this case.

The Court has appointed the law firms of Saveri & Saveri, Inc.; Pearson, Simon & Warshaw, LLP; and Berman DeValerio as Class Counsel, to represent Direct Purchaser Class members.

This is a Summary Notice. For more details, call toll free 1-844-778-5952, visit www.BatteriesDirectPurchaserAntitrustSettlement.com, or write to In re: Lithium Ion Batteries Antitrust Litigation, Settlement Administrator, P.O. Box 4098, Portland, OR 97208-4098.

June 23, 2017

TO WHOM IT MAY CONCERN:

13-MD-2420-YGR

I, William H. Yoes, am a class member in the In re: Lithium Ion Batteries Antitrust Litigation in that I received a Long Form Notice with identification number 886919542334.

I may appear, either individually or through representation, at the Fairness Hearing scheduled for August 29, 2017 at 2:00pm in Oakland California. I am an attorney.

I object to the terms of the settlement because the settlement does not meet the legal requirements of reasonableness, fairness and adequacy as required by Federal law. My objections include:

1. Based on the review of the Long Form Notice and other documents posted online, there is insufficient information for me to know what the potential value of the underlying case is if it proceeded to a trial on the merits. I was not provided information regarding the damages that could be recovered if the case proceeded to verdict.
2. There is no information in the long form Notice regarding the amount of attorney fees and costs that Class Counsel intends to request for their efforts. Without that information, it is not possible to assess what the potential sums will be available for class distribution. I object to the lack of information as challenging any fee request as unreasonable and excessive.
3. I oppose the settlement terms that delay class distribution to a later date when other litigation with non-settling defendants reaches resolution. This is patently unfair and unnecessary. I and other absent class members need to know an array of information to evaluate whether it is reasonable to withhold funds from immediate distribution based on ongoing litigation. It is unclear whether any of these funds will be applied to defray future costs in the ongoing litigation. Even if none of these settlement funds are earmarked for that purpose, the failure to distribute these funds upon final approval is not reasonable, not fair and not adequate.
4. Notwithstanding class counsel's claim that deferring distribution will reduce expenses and thus potentially increase sums to absent class members, one has to be concerned that another motivation may be prompting the delay. Considering fairness and procedural due process, is class counsel's goal of deferring fees really just to defer their own income tax liability? How can that justify *indefinitely delaying* payment of a substantial portion of the current settlement to injured class members? It cannot.
5. For the Court to find deferment is reasonable, absent class members would need to be provided sufficient information about the pending unsettled litigation. Absent class members need to know: the *future* stage of the proceedings and the *future* amount of discovery completed; the

future probability of the class prevailing on the merits; the range of the class possible *future* recovery and the certainty of collecting any *future* damages; and the *future* complexity, expense and likely duration of the litigation.

6. I adopt all other objections that are not inconsistent with these objections.

Sincerely,

William H. Yoes
